Wage Order No. RB 1-13

Setting New Minimum Wage Rates
for Private Sector Employees/Workers in Region—I

WHEREAS, under Republic Act No. 6727 otherwise known as the Wage Rationalization Act, the Regional Tripartite Wages and Productivity Boards are mandated to determine and fix the applicable minimum wage rates in their respective regions based on criteria such as: needs of workers and their families; capacity of employers to pay; comparative wages and incomes across regions and requirements of social and economic development and to issue the corresponding wage order subject to guidelines issued by the National Wages and Productivity Commission;

WHEREAS, the last adjustment in the minimum wage rates of covered workers in the private sector in the Region took effect on December 31, 2007 under Wage Order No. RB 1-12.

WHEREAS, the Board had conducted Motu Proprio regular reviews and assessments of the prevailing minimum wage rates due to the instability of the region’s socio-economic factors affecting the minimum wage issue;

WHEREAS, the Board upon recognizing the continuing escalation of the prices of basic commodities such as petroleum products and rice commodity covering the period January to May 2008 as follows:

<table>

affecting the cost of other basic goods and services comprising the basket of goods and services thus, putting pressure to the Consumer Price Index to go up in the region adversely reducing the purchasing power of the workers and their families declares sufficient basis for the existence of a supervening condition authorizing the Board to exercise its wage fixing function within a period of one (1) year from the effectivity of the last wage order as provided under Rules of Procedure on Minimum Wage Fixing;

WHEREAS, the NWPC in its Resolution No. 05, series of 2008 had authorized the Board to exercise its wage fixing function within a period of one (1) year from the effectivity of the last wage order as provided under Rule 1V of the Rules of Procedure on Minimum Wage Fixing;

WHEREAS, the Board had conducted public hearings on May 21, 22, 27 and 28, 2008 in all the provinces of the region to determine the issues, positions and sentiments of its stakeholders on the minimum wage issue;

WHEREAS, the provinces of Pangasinan and La Union were declared under state of calamity due to the havoc wrought by typhoon Cosme causing enormous damages to agricultural and livestock produce, commercial, residential lands and buildings, houses and even lives;
WHEREAS, in addition to the efforts of the government to hold down the prices of basic commodities, the Board strongly urged the employers to manifest their social responsibility of providing their workers and employees with non-wage relief and assistance especially during this period of difficult economic situation;

WHEREAS, in view of the foregoing considerations, the Board considers more prudent and appropriate to grant an emergency relief to covered workers and employees in the form of cost of living allowance (COLA) rather than a wage increase of a more permanent basis until the present situation in the region had normalized to enable them to cope with the rising cost of living without impairing the viability of business and industry;

NOW, therefore by virtue of the power and authority vested under Republic Act No. 6727, otherwise known as the Wage Rationalization Act, the Regional Tripartite Wages and Productivity Board of Region 1 hereby issues this Wage Order.

SECTION I. NEW DAILY MINIMUM WAGE RATES

Upon the effectivity of this Wage Order, all covered workers and employees in the Region shall receive an additional Ten pesos (P10.00) per day Cost of Living Allowance (COLA) as follows:

Where 392.50 days =

\[
\frac{299 \text{ days - ordinary working days}}{22 \text{ days - 11 regular holidays x 200\%}} + \frac{67.6 \text{ days - 52 rest days x 130\%}}{3.9 \text{ days - 3 special days x 130\%}}
\]

392.50 days - Total number of days/year

(b) For those who do not work but considered paid on rest days, special days and regular holidays:

\[
\text{EMR} = \frac{\text{ADR x 365 days}}{12}
\]

Where 365 days =

\[
\frac{299 \text{ days - ordinary working days}}{52 \text{ days - Sundays/rest days}} + \frac{11 \text{ days - regular holidays}}{3 \text{ days - special days}}
\]

365 days - Total number of days/year
(c) For those who do not work and are not considered paid on Sundays or rest days:

\[
\text{ADR} \times 313 \text{ days}
\]

\[
\text{EMR} = \frac{-----------------------------}{12}
\]

Where 313 days =

- 299 days - ordinary working days
- 11 days - regular holidays
- 3 days - special days (if worked) x 130%
- 313 days - Total number of days/year

(d) For those who do not work and are not considered paid on Saturdays and Sundays or rest days:

\[
\text{ADR} \times 261 \text{ days}
\]

\[
\text{EMR} = \frac{-----------------------------}{12}
\]

Where 261 days =

- 247 days - Ordinary working days
- 11 days - regular holidays
- 3 days - special days (if worked) x 130%
- 261 days - Total number of days/year
