#### Description

- 1 lot Cloud hosting and system enhancement to include the following: 675,000.00
1. Maintain registration and email notification to establishments before and after submission of report;
    - a. Auto-generated email after registration; and
    - b. Confirmation email upon completion of the report with summary matrix;
  2. Maintain responsiveness or mobile-optimized survey application to capture data for better client access and use;
  3. Customize design based on reporting form with appropriate data field controls/ validation and dropdown menu for better data capture;
  4. Provide the capability of file attachment in xls and xlsx;
  5. Release Structured Query Language (SQL) and extracted excel file as soon as the application for AERW system closes;
  6. Provide data export feature to allow back-up and secure data transfer to end-user's preferred system (as far as practicable, exported data should be compatible with end- user's data analysis tools);
  7. Maintain embedded security features that protects data from breach and unauthorized access;
  8. Turn over to the Procuring Entity the enhanced/developed application and generated databases as its property after the engagement;

9. Conduct capacity building for end-user's Information Technology team for application modifications and maintenance;
10. Treat all information with high confidentiality and shall not be used in any other way;
11. Ready the application for launching and public access not later than 28 April 2026;
12. Ensure smooth and continuous implementation for the duration of the project and provide the following minimum specifications for the cloud hosting services:
  - a. Medium instance for MySQL Server, Survey, Console Applications (2CPU/16GB Memory/20gb storage);
  - b. Load balancer with SSL;
  - c. Cloud storage for Excel attachments; and
  - d. Host the system for four (4) months starting on or before 28 April 2026 to 27 August 2026 or for a possible extended period subject to the Procuring Entity's need for evaluation;
13. Provide a manual of instruction in generating reports from the Excel/Console;
14. Provide Administrator's and Users' Manual before the launching date; and
15. Provide continuous and reliable technical support until December 2026.

Must have at least engaged two systems development projects with NWPC.
